

The National vision:

'A measurable and sustained improvement in school PE and sport, underpinned by high-quality teaching that increases participation levels in physical activity, and leads to healthier pupils who are more engaged across the whole curriculum. This will be our legacy to the London 2012 Olympic and Paralympic Games.'

What is the sports premium?

The Government has provided £150 million worth of funding for two academic years for physical education and sport. This funding should be used to improve the quality and breadth of PE and sports provision. Each school will receive £8, 000 plus an extra £5 per pupil each year. This means Ashmount Primary will receive around £9530 to be spent on developing our PE and sports this year.
